To: Gytis Gumuliauskas
CEO

Dear Mr. Gumuliauskas,

UAB “Baltic Ground Services” provides Belavia – Belarusian Airlines ground handling and fuelling services as well as representative services for already several years. During our long-term cooperation the services have been always performed on-time, safely and at high quality level, taking into account all current Belavia quality management system requirements.

It is a great pleasure to work with BGS team that improves its professionalism and quality level continuously.

UAB “Baltic Ground Services” is a reliable and trustworthy partner. Hereby we would like to express you our deep respect and gratitude for fruitful cooperation. On behalf of Belavia – Belarusian Airlines team we wish your company a continued success in development and geography expanding and hope for further mutually profitable cooperation.

With best regards,

Anatoly Gusarov
Director General
