WHAT'S NEW AT BGS?

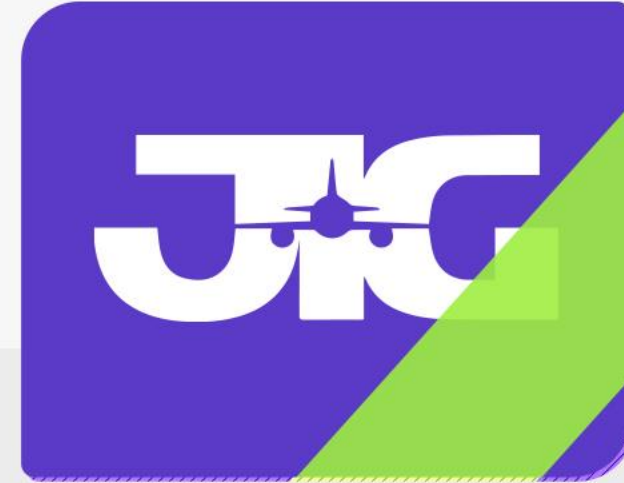

NEW PARTNERSHIP

Kazimieras Simonavicius University & BGS

Collaborating to provide authorised IATA training, our aim is to contribute to the future of global aviation. With flexible on-site and e-learning options, full provision of study materials, and a rigorous exam system for quality results, we will be teaching the following programs:

- Passenger Ground Services
- Airport Ramp Services with IGOM

The first group of students is scheduled to start in September 2024.

NEW SAFETY & COMPLIANCE DEVELOPMENT

In-house JIG (Joint Inspection Group) Inspector

BGS has appointed its own JIG Inspector, enabling us to conduct JIG audits at all our stations and offer JIG audit services to our customers.

- Enhanced internal safety oversight
- Expanded service offerings
- Improved compliance with industry standards
